

About Me...

I am a 30 year old father, husband, student, and veteran. I served in the United States Navy where I was honorably discharged. I served overseas and was part of Operation Inherent Resolve. I was stationed in Norfolk, VA on CVN-69 Dwight D. Eisenhower where I went into the Deck Department. I spent two years needle gunning and painting with the Boatswain Mates. After a few months doing that I volunteered to go to the Security Reaction Force. I received training through the Bravo Department and then moved up to Alpha for the Advanced Security Team. I left the Navy as an Operations Specialist. After the Navy, I spent my time in college earning a Business Certificate and have my Associates Degree in Psychology. I have a son who is 7 years old.

James Sturtevant

Veterans Service Officer
